

MCM2: 7F

Ongoing: Continue to hold regular stormwater committee and Lakes committee meetings. Continue to provide a forum for the public to comment on projects before the Planning Board.

April: Notify the public of the presentation of the 2011 annual report. Hold a public meeting and present the annual report, respond to comments and collect information relative to the annual report and stormwater management.

April 24th: Hold the annual spring clean-up event

April 16th-30th: Town of Kent Litter Clean up Days - the Town will provide free roadside litter bags to residents and the Town of Kent Highway Department will pick up the filled bags left alongside the roads.
